

STOCKHOLM--([BUSINESS WIRE](#))--Stefan joins from SEB where he has had several senior positions, most recently as head of CRM Financial Institutions in Frankfurt. Previous positions include Head of Treasury & Trading within Trading Capital Markets in Luxembourg, Head of Merchant Banking at SEB Luxembourg as well as several years in Fixed income, FX and Equity trading positions in Stockholm and Luxembourg.

"We are very happy to welcome Stefan to the team says Johan Lindberg, Managing Director of Coeli Asset Management. Stefan will with his long experience of risk taking as well as active risk management, add significant knowledge to both our investment manager teams as well as the company as a whole. The recruitment of Stefan is one in a row of senior recruitments which Coeli Asset Management has performed lately in the process of establishing its Nordic Multi-Manager platform in Luxembourg."
