

Medical Cannabis Payment Solutions Begins Assembling Sales Force

Written by Australian Business

LAS VEGAS--([BUSINESS WIRE](#))--Medical Cannabis Payment Solutions (OTC Bulletin Board, REFG), today announced new additions to its sales force, underscoring its commitment to deliver innovative and compelling solutions for the medical marijuana industry. The group of talented sales professionals will be strategically located throughout the country, enabling Medical Cannabis Payment Solutions to deliver excellent, responsive customer service. The sales force will focus on two products, Spark, the company's cloud-based phone system and Ghost, the exciting mobile app platform.

“Medical Cannabis Payment Solutions is in a great position to expand and grow,” said Jeremy Roberts, the company's CEO. “We feel by adding more localized sales support, we are improving service to our core customers while also capitalizing on new business opportunities.”

The company also announced it is accepting resumes for qualified sales professionals via email. Interested parties may apply by emailing a cover letter, resume and references to: careers@refg.co.

About Medical Cannabis Payment Solutions, Inc.

Our mission is to provide end-to-end management, across multiple management systems, for medicinal marijuana operations. Many medicinal marijuana companies have experienced such rapid growth that they are finding it difficult to manage all aspects of their operation. In order to become a successful and compliant medicinal marijuana operation, effective management must depend on many different systems. REFG solves the fragmentation problem by identifying tools that are important to dispensaries, and customizing those tools specifically catered to the industry. We strive to create awareness within the medicinal marijuana industry and to develop an environmentally friendly, economically sustainable business while increasing shareholder value.
