

Life Stem Genetics Has New Stock Symbol and New Financing Commitment

Written by Australian Business

LOS ANGELES--([BUSINESS WIRE](#))--Life Stem Genetics Inc. (the "Company"), an emerging innovator in the advancement of Adult Stem Cell therapy announces that the Company's new stock symbol, LIFS, is now active.

The Company is also pleased to release the general details of its recent financing commitment. This financing is for \$1 million (the "Private Placement") of 1,000,000 units (each, a "Unit") at a price of \$1 per Unit. Each Unit will consist of one common share of the Company and one warrant to purchase an additional common share of the Company (each, a "Warrant Share") at \$1 per Warrant Share for a period of one year. The Company is to close the Private Placement within 45 calendar days of this press release.

Gloria Simov, CEO of Life Stem Genetics, commented, "Our new trading symbol and recent financing are key components to provide future value to our shareholders and to our fulfillment of our long term objectives in the emerging Adult Stem Cell therapy industry."

All shareholders of the Company are encouraged to view the Company's complete filings at the following link:

healing with a patient's own "Stem Cells". Stem Cells for years have been known to heal a variety of ailments successfully and now it is being offered as an efficient and painless way to treat many different illnesses ranging from orthopedic Injuries, neurological disorders such as Parkinson's, and Alzheimer's, Cancer, Plastic Surgery, Age Management, Arthritis, Diabetes, Cardiology, COPD, MS, Urology, and many more. Stem Cell Therapy and LSG's proprietary techniques have experienced some of the best results in the industry, helping to repair or re-program damaged or diseased tissues and organs.

LSG's stem cell specialist has performed thousands of stem cell treatments, including the top names in PGA golf, NFL football, NBA basketball, and Major League Baseball. LSG will offer their proprietary treatments through a series of affiliate doctors, and medical clinics, with 60 affiliated clinics so far.

LSG's mission is to create a solid comprehensive approach to the treatment and maintenance of diseases and to break free from the medical insurance world by tapping into an affordable private-pay sector delivering exceptional healthcare free from the medical insurance maze.
