

STEVENSON, Md.--([BUSINESS WIRE](#))--The securities litigation firm of Brower Piven, A Professional Corporation, announces that a class action lawsuit has been filed in the California Superior Court for Orange County on behalf of all stockholders of Mindspeed Technologies, Inc. ("Mindspeed" or the "Company") (NasdaqGS: MSPD) common stock.

According to the complaint, the proposed buyout provides for Mindspeed shareholders to receive \$5.05 per share in cash for each share of Mindspeed common stock they own. The lawsuit alleges that the members of the Mindspeed Board of Directors have breached their fiduciary duties to shareholders by agreeing to the proposed buyout for inadequate consideration.

If you currently own common stock of Mindspeed and would like to learn more about the claims being asserted and your rights, you may email or call Brower Piven, who will, without obligation or cost to you, attempt to answer your questions.
