Oslo Børs listing: October 2007

EOC Limited offers offshore floating production services that support the full life cycle of offshore oil and gas (O&G) production. It owns and operates two floating production, storage and offloading (FPSO) vessels, the Lewek Arunothai and the Lewek EMAS, and a fleet of construction vessels. The Group has conducted operations in Australia, Brunei, India, Indonesia, Malaysia, the Middle East, the Philippines, Vietnam and Thailand, and continues to do so currently.

EOC’s successful operational and HSE (health, safety and environment) track records have enabled the Group to establish strong working relationships with leading international oil majors, national oil companies and various independent operators. In addition, these ties have brought in a steady stream of repeat business and recurring income.

The Group is an associate company of Singapore Exchange-listed Ezra Holdings Limited, a leading global offshore contractor and provider of integrated offshore solutions to the O&G industry.
