

NEW YORK--( [BUSINESS WIRE](#) )--Kirby McInerney LLP is investigating potential claims against the Board of Directors of MICROS Systems, Inc. ("MICROS" or the "Company") (NASDAQ:MCRS) concerning the proposed acquisition of the Company by Oracle Corporation ("Oracle"). Under the terms of the definitive merger agreement, MICROS stockholders will receive \$68.00 in cash for each share of MICROS common stock they own, valuing the transaction at approximately \$5.3 billion.

The investigation concerns whether the MICROS Board of Directors violated its fiduciary duties by agreeing to the proposed transaction and whether the proposed consideration adequately values the Company's common stock.
