

NEW YORK--([BUSINESS WIRE](#))--Kirby McInerney LLP is investigating potential claims against the Board of Directors of Integrys Energy Group, Inc. (“Integrys” or the “Company”) (NYSE:TEG) concerning the proposed acquisition of the Company by Wisconsin Energy Corp. (“Wisconsin Energy”). Under the terms of the definitive merger agreement, Integrys stockholders will receive 1.128 Wisconsin Energy shares plus \$18.58 in cash for each share of Integrys common stock they own, valuing the transaction at approximately \$9.1 billion.

The investigation concerns whether the Integrys Board of Directors violated its fiduciary duties by agreeing to the proposed transaction and whether the proposed consideration adequately values the Company’s common stock.
