

NEW YORK--( [BUSINESS WIRE](#) )--Casablanca Capital LP, ("Casablanca") the beneficial owner of approximately 5.2% of Cliffs Natural Resources Inc. (NYSE:CLF), today issued the following statement on the latest Cliffs press release:

"The press release issued by Cliffs before engaging with Casablanca's principals is another public relations ruse by an incompetent and entrenched Board that has failed shareholders -- and in our view not a genuine attempt to reach a settlement that will create the fundamental change shareholders clearly want and deserve. We have no intention of negotiating through press releases but remain willing, as we have detailed in our public filings, to enter into a reasonable settlement that provides for real change. The current Board must be held accountable for wasting \$9 billion on a disastrous diversification strategy and overseeing the destruction of 85% of shareholder value. Shareholders deserve better."

### **About Casablanca Capital LP**

Casablanca Capital is an Event Driven and Activist investment manager based in New York, founded in 2010 by Donald G. Drapkin and Douglas Taylor. Casablanca invests in high quality but underperforming public companies that have multiple levers to unlock shareholder value. The firm seeks to engage with the management, Boards, and shareholders of those companies in a constructive dialogue in order to enhance shareholder value through improved operational efficiencies, strategic divestitures, capital structure optimization and increased corporate focus. In 2011, Casablanca successfully initiated a campaign at Mentor Graphics Corporation to improve profitability and enhance value at the company, working with shareholders to elect three nominees to Mentor's Board.
