

VIRGINIA BEACH, Va., Sept. 22, 2013 /PRNewswire/ -- Oracle today recognized Mythics with the 2013 Oracle Excellence Award for Specialized Partner of the Year - North America in Software.

The award reflects Mythics' success in adopting OPN's Specialized approach which is aimed at enabling partners to establish industry recognition by following a formal process to become Specialized in key Oracle solution areas.

Mythics was presented the 2013 Oracle Excellence Award for Specialized Partner of the Year - North America in Software for demonstrating excellence in sales and systems integration serving Federal, State and Local Government, Commercial, Higher Education and Healthcare customers globally. Mythics was recognized as the first Oracle Exadata Specialized Partner globally and leverages 21 additional Oracle technology and industry specializations to solve complex mission and business challenges with its partners and customers.

The Oracle Excellence Awards for Specialized Partner of the Year - North America encourage innovation by Oracle PartnerNetwork (OPN) members, who use Oracle's products and technology to create value for customers and generate new business potential.

"The entire Mythics family is proud and honored to be recognized for our excellence in delivering end-to-end Oracle solutions, helping our customers and partners achieve their business goals or mission success," said Gary Newman, President of Mythics. "It is exciting to be recognized helping government agencies, defense customers and some of the most famous commercial brands in the world achieve their goals by leveraging our amazing team of dedicated professionals."

"Mythics has demonstrated an outstanding level of innovation in delivering proven, Oracle-based solutions that solve our joint customers' most critical business challenges," said Lydia Smyers

, group vice president, Worldwide Alliances & Channels Programs and Communications, Oracle. "We congratulate Mythics in achieving the 2013 Oracle Excellence Award for Specialized Partner of the Year -

North America

in Software. This achievement is a testament to their dedication to excellence and to providing customers enterprise modernization services that drive real business value and results."
