

IDology Joins Top AML and Financial Crime Experts at the 12th Annual ACAMS Conference

Written by Australian Business

(PRLEAP.COM) October 3, 2013 - IDology, Inc., a provider of [real-time technology solutions](#) that verify an individual's identity and age while also deterring fraud, will be exhibiting at the upcoming ACAMS 12th Annual AML and Financial Crime Conference, in Las Vegas, NV.

The [ACAMS AML and Financial Crime Conference](#) brings together the world's top Anti-Money Laundering/Counter-Terrorism Financing experts to share essential knowledge and best practices and help delegates perform their jobs more effectively and efficiently. ACAMS conferences are a trusted resource for vital information about anti-money laundering and financial crime including, cutting-edge insights on emerging trends, fresh perspectives and practical solutions for real-world challenges, and case studies illustrating best practices.

IDology, Inc. will be located in the exhibit area, booth number 103, and be presenting their robust identity verification processes and comprehensive fraud platform that businesses utilize to quickly and easily validate the identity of applicants while also preventing fraud.

"We are excited to collaborate with and learn from the numerous AML and CTF experts at the upcoming ACAMS conference. Identity verification is essential in any anti-money laundering or financial crime prevention process," said John Dancu, CEO of IDology, Inc. "At IDology, we help organizations mitigate risk, meet compliance and drive revenue through a comprehensive, real-time solution that customers can control and update on-demand in order to approve more legitimate customers and deter fraud."

The IDology platform offers a complete and on-demand solution that both large and small
