

# Hydra Management to Exhibit at Project Challenge trade show at London-Olympia

Written by Australian Business

---

( [PRLEAP.COM](http://PRLEAP.COM) ) Farnborough, UK – Hydra, today announced that it will once again, be exhibiting at the annual Project Challenge Exhibition and conference held at Olympia, London. Hydra team will be located in stand 132 and invites all those who are interested in improving the efficiency of operation and to [maximize the utilization of resources](#) , to register for free for the trade show on the Project Challenge website and visit the Hydra display.

Team members will be on hand to demonstrate all of the products new features and unique functionality. Appointments may be scheduled in advance for demonstrations to avoid long wait times during the show. Guests will be able to learn how Hydra managements systems can pay for themselves on average in as little as six months. The unique resource scheduler and comprehensive business reporting capability deliver efficiencies to all levels of an organization.

"We look forward to sharing our latest product advances with potential clients at Project Challenge," said Shakeel Ahmed, President, Hydra. "Our Hydra software provides solutions for portfolio, program, project and resource management – Hydra offers solutions that are unique and practical."

Show attendees will be able to "test-drive" only resource centric PPM tool designed to address real-world challenges organizations face when managing projects. Hydra enables users to deliver more projects on time and budget with existing resources. This easy-to-use system that manages portfolio, projects and resources keeps users automatically informed and tracks all work in one system. With scalability clients can adjust the software to fit any specific needs of the operation, while fast and easy implementation ensure clients enjoy the benefits of this business management software in just one week.
