

CHICAGO, Feb. 7, 2014 /PRNewswire/ -- Cobra Electronics Corporation (Nasdaq: [COBR](#)), a leading global designer and marketer of mobile communications and navigation products, announced today that it will host a webcast of its fourth quarter and year-end 2013 results conference call. The details of the webcast are as follows:

DATE: Wednesday, February 19, 2014 TIME: 11:00 a.m. Eastern Time WHERE: <http://www.cobra.com>

To listen to the live call, please go to Cobra's website at least 15 minutes prior to the conference call and click on the Investor Relations tab to register, download, and install any necessary audio software. For those who cannot listen to the live webcast, a replay will be available shortly after the call.

About Cobra Electronics

Cobra Electronics is a leading global designer and marketer of communication and navigation products, with a track record of delivering innovative and award-winning products. Building upon its leadership position in the GMRS/FRS two-way radio, radar detector and Citizens Band radio industries, Cobra identified new growth opportunities and has aggressively expanded into the marine market and has expanded its European operations. The Consumer Electronics Association, Forbes and Deloitte & Touche have all recognized Cobra for the company's innovation and industry leadership. To learn more about Cobra Electronics, please visit the Cobra site at www.cobra.com.
