

## OSTraining Supports the first Joomla Day Atlanta

Written by Australian Business

---

( [PRLEAP.COM](http://PRLEAP.COM) ) The first ever Joomla Day Atlanta will be on April 5th this year. The Joomla Day will be at the beautiful Global Learning Center in the heart of the Georgia Tech campus and Midtown Atlanta.

Joomla Day Atlanta will feature 4 tracks of excellent web education. Attendees from around the southern U.S. are welcome to join the event to enjoy excellent presentations and networking.

Topic covered by speakers include:

A series of sessions for Joomla beginners An introduction to the latest version of Joomla: version 3.3 Building PHP applications Designing websites Joomla How to become a full-time developer And many more The full schedule is available at the official event website which is <http://www.joomladayatlanta.com>

[OSTraining](#) is based in Atlanta. They have been proving [Joomla training](#) for many years and will be supporting Joomla Day Atlanta.

OSTraining has several speakers at the event and has played a key role in organizing the Joomla Day.
