

OStaining Supports the first DrupalCamp South Carolina

Written by Australian Business

(PRLEAP.COM) The first ever DrupalCamp South Carolina will be on April 19th this year.

The DrupalCamp will be in downtown Columbia, just moments away from the University of South Carolina. DrupalCamp South Carolina will feature sessions for all levels from Drupal expert to people just getting started.

Attendees from around the southern U.S. are welcome to join the event to enjoy excellent presentations and networking. Topic covered by speakers are likely to include:

Drupal 8 Marketing Automation and Drupal Building Secure and Available Drupal Applications
Integrating Drupal with Salesforce OStaining is giving away 5 tickets to people who enter [via the OStaining website](#)

OStaining is also providing [a Drupal training class](#) on the day before the DrupalCamp, on April 18th.

OStaining is based in Atlanta. They have been providing Drupal training for many years and are sponsoring DrupalCamp South Carolina
